May is National Water Safety Month!

Register for one of our water safety classes! April 29-May 2
Help us keep them safe!

Parents with children ages **5 years & under** must be in the water and within arm's reach of their child, and must remain where the parent can touch the bottom. Children ages 6-14 must have a parent on the pool deck at all times.

We strongly recommend that parents of non-swimmers be in the water within arm's reach of their child, regardless of the child's age.

**** We strive to ensure the accuracy of this schedule. ****

****Open swim schedule is subject to change without notice. Please always call ahead to verify the pool is open ****

All children aged 18 and under **MUST** take a swim test.

Swim Test- Swim 25 meters, climb out, jump in, recover and tread water for 30 seconds. The swim must be a competitive stroke, in good form, face in the water. "Doggie paddling" does not count.
