NOTES: Oakbrook is heated and we utilize thermal blankets to help maintain the warmth of the water.

Parents with children ages **5 years & under** must be in the water and within arm's reach of their child, and must remain where the parent can touch the bottom. Children ages 6-14 must have a parent on the pool deck at all times.

We strongly recommend that parents of non-swimmers be in the water within arm's reach of their child, regardless of the child's age.

**** We strive to ensure the accuracy of this schedule. However, open swim schedule is subject to change without notice. ****
